

an animated short film for CA by Tabea Reifenschweiler IP/4,  
Lina Moll IP/4, and Tevin Zielke MI/7

# Garden Reverie

*A butterfly  
for its favor*

*An orange fell on the ground,  
perhaps it was the wind*

*An old cottage at the end of  
the field. I wonder what's inside*

*Lotus flowers floating  
on the lake*

*A field of flowers*

An animated short film that showcases the simple beauty of nature in a vibrant garden.

# Difficulties

Scene complexity and high LOD are resource consuming

Simulation of fluids and animation of object physics

Optimal world and scene building

# Technology and Tools

Blender

GScatter

Graswald

DaVinci Resolve

Ableton
